SUMMARY

I'm a fresh graduate and ambitious front-end web developer proficient in React, TypeScript, JavaScript, Bootstrap, Tailwind. I am eager to continuously learn and excited to utilize my learnings for the growth of the organization and myself.

EDUCATION

Bachelor of Science in Information Technology   2019 – 2023
Binalatongan Community College

EXPERIENCES

Full-stack Developer (Hands-on Exp.)   Jan. 2023 - April 2023
Alumni Tracking System (Capstone Project)

I developed a system for administrator that organizes alumni data and allows the user to post an announcement of events. I also developed a portal site for alumni that contains announcement of events and allows the user to update their employment status.

- ✓ Created conceptual design of the project (prototype).
- ✓ Implemented the database structure with MySQL.
- ✓ Front-end Development with HTML, CSS, JS, Bootstrap.
- ✓ Back-end Development with PHP.
